

founders' society

Cain Center for the Arts bears the name of local philanthropists Bill and Ericka Cain, whose lead gift of \$5,000,000 serves as both a foundation and an inspiration.

Won't you join this effort by helping make Cain Center for the Arts a vital part of our community?

As a member of the Founders' Society you will be permanently recognized in the public infrastructure of the Cain Center for the Arts campus. You can become a member of The Founders' Society by pledging a gift of \$2,500 or more prior to groundbreaking.
