This makeup time must be within 10 business days of the canceled lesson. If a student does not show up to their scheduled lesson time 3 weeks in a row and the student or parent does not contact Learn Music in that time frame, they will automatically be released from the program. **If you need to reschedule a lesson, call the Learn Music administrative team.**

Recitals:

Students must attend both recitals to continue throughout the remainder of the program. Students will not be given another chance to perform. Students who miss any of the two performances may result in being removed from the program. Recitals dates are below:

By signing this agreement, you give CCA and Learn Music permission to use any photos, videos, or quotes of your student.
